Risk Considerations

All mutual fund investing involves risk, including possible loss of principal. A value-oriented investment approach is subject to the risk that a security believed to be undervalued does not appreciate in value as anticipated. There can be no guarantee that the EIC Value Fund's investment strategy will be successful.

All investors should consider the investment objectives, risks, charges and expenses of the Fund carefully before investing. A prospectus with this and other information about the fund may be obtained by calling 1-855-430-6487, or by visiting our website at www.eicvalue.com/mutualfund.htm. Please read the prospectus carefully before investing.
